**Renewed Petitions Under 37 CFR § 1.47(b) and 1.137(b)****Legal Staff  
International Division**

To the Commissioner for Patents:

Applicant responds to the Decision on Petitions Under 37 C.F.R. 1.47(b) and 37 C.F.R. 1.137(b) issued on September 22, 2004 for the above-captioned patent application. The requirements of the Petition, which have been previously satisfied, are incorporated herein by reference. The Examining Attorney has accepted the necessary requirements of the Petition Under 37 C.F.R. 1.137(b) pending submission of a grantable 1.147(b) petition. Furthermore, the Examining Attorney has accepted the submission of applicant's 37 C.F.R. 1.47(b) petition with the exception of the showing of Applicant's sufficient proprietary interest, due to the fact that the assignment failed to clearly identify the application being assigned.

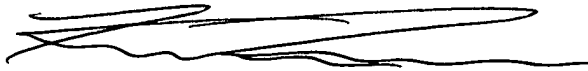

Pursuant to the last action, it is clear that the Examining Attorney has reviewed the records of the Patent Office – Assignments Division to locate a better copy. The assignment was recorded on 6/24/1998 at reel/frame 9296/0055 (see attached Notice of Recordation). The Notice of Recordation was recorded on the same date as the application was filed because the assignment accompanied the application. This is confirmed by the data on the face of the Provisional Filing Receipt which explicitly links Application Number 60/090,514 and title "Virtual Eprom Simulator Apparatus" with attorney docket number 2597/NU (attached). The assignment also expressly includes an assignment all U.S. and foreign applications, divisionals, renewals and continuations which may be granted on the assigned invention. For this reason, Applicant respectfully believes that the timing of the filing, the timing of the recording, and the recordation cover sheet collectively provide a more than adequate link between this application and the application having docket number 2597/NU in the assignment dated June 23, 1998. This demonstrates sufficient proprietary interest in the application as required under 37 C.F.R. 1.47(b).

It is believed that no other fees are due with this petition. However, if any other fees are a due with this paper, the Commissioner is hereby authorized to charge such fee(s) to Deposit Account No. 50-0792.

Please direct any inquiries regarding this petition to the Applicant's undersigned attorney, who can be reached directly by telephone at (303) 298-5718.

Favorable consideration is respectfully solicited.

Respectfully submitted,

Kendall I. Thiessen
